Mission & Purpose of Safe School Plan

Purpose and Scope

The Comprehensive Safe School Plan (CSSP) provides guidance and direction to principals, faculty and staff who have Emergency Management Responsibilities (EMR). The Emergency Response Plan along with the School Comprehensive Safe School Plan shall be used during an emergency incident involving a school facility.

Key Emergency Contact

After contacting 911, it is imperative during an emergency to contact your assigned Assistant Superintendent of Instruction as quickly as possible. He/She will respond immediately to the emergency and alert the appropriate members of the District School Safety Team.

Safe School Leadership Team (SSLT)

Each facility and administrative site will have a Safe School Leadership Team (SSLT) to take charge of the emergency, respond effectively, protect the occupants of the facility and reduce the risk of physical injury, property damage and business interruption.

Standardized Emergency Management System (SEMS) is the system required by Government Code 8607(a) for managing response to multi-agency and multi-jurisdiction emergencies in California. SEMS consists of five organizational levels, which are activated as necessary: **Field Response, Local Government,**

Operational Area, Regional, and State.

The school site Safe School Leadership Team (SSLT) carries out the Field Response level of crisis and emergency management, the District School Safety Team functions at the Local Government level in this system. By organizing our crisis response plans according to SEMS, both school sites and the district are positioned to integrate services when an incident occurs on an area, regional or state level.

By standardizing key elements of the emergency management system, SEMS is intended to:

- Facilitate the flow of information within and between levels of the system.
- Facilitate coordination among all responding agencies.

Use of SEMS will improve the mobilization, deployment, utilization, tracking, and demobilization of needed mutual aid resources. Use of SEMS will reduce the incident of poor coordination and communications, and reduce resource ordering duplication on multi-agency and multi-jurisdiction responses. SEMS is designed to be flexible and adaptable to varied disasters that occur in California, and to the needs of all emergency responders.

Essential Management Functions: SEMS has five essential functions adapted from Incident Command System (ICS). The Field Response uses the five primary ICS functions: **Command, Operations, Planning/Intelligence, Logistics, and Finance/Administration.** The term management is used instead of command at all levels except Field Response. The titles of the other functions remain the same at all levels.

Under the SEMS, tasks are delegated to members of the SSLT to successfully handle critical incidents. The SSLT member is then responsible for the task assigned and serves as the manager of the task. This type of delegation allows each manager to focus on just one or two aspects of the incident. These managers then provide information to the incident commander (principal) and assist them in making informed decisions. Using this organizational system during a critical incident creates clear communication channels that will reduce the amount of confusion and chaos.

Permanently assigning specific areas of responsibility to members of the Safe School Leadership Team provides each member with the opportunity to specialize in the management of his/her area.

The SEMS can also address the uncertainty of exactly who will be in the building during an emergency. When assigning the management of critical roles in the SEMS, assign an alternate for each role to assure coverage at all times. This may require some individuals to be responsible for more than one task if the primary manager were out of the building. While the SEMS identifies roles for the members of the SSLT, all school faculty members should know their specific functions during an emergency. Teachers with students in class will have specific functions, as will teachers not assigned a class when an emergency occurs. It is imperative to emergency operations that SEMS roles and responsibilities are assigned and understood by the Safe School Leadership Team members. The Roles & Responsibilities outlined in this documents, will also assist the Incident Commander System if one or more team members/alternates are not available. City emergency responders use the SEMS to manage emergency events. Because of this, a school with assigned roles for administrators and teachers will be able to work more efficiently with city agencies.

The Safe School Plan Goal Statement and School Beliefs

The goal of Easton Continuation High School is to educate all students in a challenging, disciplined, and supportive environment enabling them to reach their full potential of becoming productive citizens who will make positive life-long contributions to society.

Safe School Leadership Team

Please note that the Safe School Leadership Team functions have been organized to align with the District Standardized Emergency Management System (SEMS) and the National Incident Management System (NIMS). Depending on staff available, team members may serve multiple roles. For example, the Principal may serve as both incident commander and Operations officers etc.

In the event of an emergency situation, the Safe School Leadership Team should report to a designated location to oversee and provide directions during the emergency situation. The principal and/or designee in charge are to facilitate the following:

(1) secure the area, (2) check for damage, (3) assess injury situations, and (4) report findings to the Assistant Superintendent. Safe School Leadership Team is listed below.

Incident Command Team Responsibilities

Standardized Emergency Response Management System Overview

The California Standardized Emergency Management System (SEMS) is designed to centralize and coordinate emergency response through the use of standardized terminology and processes. This greatly facilitates the flow of information and resources among the agencies participating in response to an emergency. SEMS consists of five functions:

Management

During an emergency, the Incident Commander directs response actions from a designated Command Post. To effectively do this, the Incident Commander must constantly assess the situation, and develop and implement appropriate strategies. The Incident Commander must be familiar with the available resources, accurately document all response actions, and effectively communicate response strategies to others participating in the response. This function is typically filled by the school principal. The principal is assisted in carrying out this function by a Public Information & Liaison Officer and Safety Officer.

Planning & Intelligence

Planning and Intelligence involves the use of various methods to efficiently gather information, weigh and document the information for significance, and actively assess the status of the emergency. This understanding and knowledge about the situation at hand is vital to the effective management of a response. These activities are performed by a single person who reports directly to the Incident Commander.

Operations

All response actions are implemented under by Operations. This includes staff performing first aid, crisis intervention, search and rescue, site security, damage assessment, evacuations, and the release of students.

Logistics

Logistics supports the response by coordinating personnel; assembling and deploying volunteers; providing supplies, equipment, and services; and facilitating communications among emergency responders.

Finance & Administration

Finance & Administration involves the purchasing of all necessary materials, tracking financial records, timekeeping for emergency responders, and recovering school records following an emergency. These activities are performed by a single person who reports directly to the Incident Commander.

**Washington Unified School District
THREAT ASSESSMENT MANAGEMENT TEAM (TAMT)
(Student Wellness Team)**

When a school identifies an individual or group that may pose potential harm to themselves or others, the school will convene their **Threat Assessment Management Team. (TAMT)**

The task of the TAMT is to assess the level of threat posed; determine what level of response the school site will initiate; what district resources may be required and what response may be needed.

This team should work with outside agencies when making referrals under Welfare and Intuitions Code 5150.

The team will oversee and document the school site’s response to threats, 5150 referrals and plan for monitoring or services that may need to occur after the crisis has passed.

When engaged in the 5150 referral process, this team becomes a Student Wellness Team. The team may expand at that point to include other staff, parents or whoever else may be required to monitor the student’s well being when and if returned to school.

FIRST AID RESPONDERS

Each district site must have designated First Aid responders who are first to provide assistance when needed. **Annually, identify those staff members who have current training in CPR and First Aid.** In an emergency situation, any staff member may provide assistance. Insure that there are an adequate number of people trained in first aid in addition to the crisis response team.

The following staff members are designated emergency first aid responders for the 2023-2024 school year at Easton Continuation High School School.

Emergency Care for Injuries, Choking, and Sudden Illness (flipchart) is the guide for providing first aid.

The flipchart and first aid supplies are located in the health office. Additional supplies at the high schools are located in the boy's gym, girl's gym, and may also be in shop classes.

The flipchart contains Universal Precautions for blood borne pathogens.

Any time an employee is involved in a possible blood exposure incident, it shall be reported as a Worker's Compensation incident.

CPR PRECAUTIONS

To minimize the risk of infectious disease transmission during emergency mouth-to-mouth resuscitation, mouthpieces, shields, pocket masks, or other ventilation devices shall be used. Such equipment shall be stored with first aid equipment in the health office.

Unless the scope of the crisis/first aid response is prohibitive, the appropriate student and/or the emergency employee accident reports are to be completed as per usual District policy.

STUDENT RELEASE TEAM

This team is the only team, which should release students to parent(s) or guardian(s). Team responsibilities *may* include:

- ✓ Updating student census lists on a regular basis.
- ✓ Maintaining a “go box” with pens, forms, clipboards, etc., needed to establish a student release area.
- ✓ Securing census lists and emergency cards when a crisis occurs.
- ✓ Maintaining location at the front of emergency meeting area.
- ✓ Assigning team(s) dedicated to the release of students and another team(s) dedicated to locating information for staff and students.
- ✓ When authorized by the site principal, the Release Team begins the process of reuniting students with parents or guardians.
- ✓ Team ensures students are released to authorized parent or guardian and documents release by using a sign out form.

SCHOOL SITE PERSONNEL DUTIES AND RESPONSIBILITIES

In the event of a major disaster, there is no guarantee that emergency medical or fire personnel will be able to immediately respond to school sites. Therefore, **the school staff must be prepared to ensure the care and safety of students during the first several hours after a major disaster without outside assistance.**

It is critical to determine who does what, where, and how—before such a disaster occurs.

Principal/Safe School Leadership Team

The following guidelines should be adhered to:

- Include a sign-in sheet for all media to complete. (PC 627.2)
- Notify the Assistant Superintendent who will inform the District Community Relations Office.

- Follow the directions of the Assistant Superintendent. Only the Superintendent or designee and the District Community Relations Officer or designee is authorized to release information.
 - Designate a person to record incidents for documentation purposes including debriefing.
6. Establishes a student release system that will facilitate an organized method to release individual students to authorized adults only.
 7. Assigns the following duties to school staff:
 - a. Patrol entrances to direct emergency personnel, parents, district staff, and media to appropriate areas, and prohibit unauthorized persons from entering campus.
 - b. Monitor/supervise halls and corridors to maintain a safe and secure environment.

 - d. Establish/coordinate Communication Center.
 - e. Administer first aid.
 - f. Work with emergency medical triage teams to identify injured students and staff and to record ambulance destinations.

Procedures for Safe Ingress and Egress of Pupils, Parents, and School Employees to and from School

A student is not allowed to leave school grounds prior to regular dismissal without the consent of a parent or guardian. Anyone authorized by a parent or guardian to pick up their child must be listed on the child's emergency card or the child will not be released to them. All students must be checked out in the front office prior to leaving early. There is an open door policy at EHS for parents/guardians. All visitors must check in at the office upon arrival using our Raptor identification system and receive a visitor's pass. Please wear the visitor's pass for the duration of your visit. All visitors must sign out in the office as you leave.

Evacuation Plans

Each site must have an evacuation plan that consists of two stages:

Stage One Evacuation: All students and staff are evacuated from buildings and stationed at a safe location on campus.

Stage Two Relocation: At the direction of the District Incident Commander, all students and staff are relocated to a determined location off campus at time of event. Coordinate with transportation department and Police and Fire Department. (Examples: gas leak, fallen aircraft)

Plans shall be based on the current “Key Plan” maps obtained from the Department of Maintenance and Operations.

Imminent Danger/Lockdown Procedure (Remain on Campus)

An extreme emergency exists when one or more of the following situations occur on campus: (1) drive-by shooting/show-by, (2) mass protest, or (3) helicopter searches or SWAT team operations.

For an Armed Intruder/Violent Critical Incident, please see CRISIS RESPONSE INITIAL ACTIONS.

1. Imminent Danger Signal – Continuous series of short bells for an extended period of time will be the signal that an extreme emergency exists. One long ring will indicate “All Clear.” Call 911.
2. The Office Manager will maintain phone communication with the district office and telecommunication center for internal communications.
3. The Office Manager will serve as emergency locator to notify parents, guardians, and/or doctors of injured persons.

7. When the imminent danger signal is given, teachers should take the following actions:
 - Proceed immediately to homerooms
 - Direct as many students as possible into rooms
 - Supervise the area outside room until students are in rooms
 - Lock doors and close curtains
 - Students in rooms are to be seated and sign-up sheets provided so that each student accounts for his/her presence in the room
 - Notify the front office of any additional outbreaks
 - Students to remain in classroom until the all-clear signal is given
8. In the event that gunfire is heard, everyone should be instructed to lie flat on the ground/floor
9. School staff should stay until the crisis is declared over

**State of California Government Code,
Chapter 8, Division IV, Title I**

The State of California Government Code states that all public employees become emergency service workers in the event of a declared emergency. This means that all school district employees will be required to work in this capacity in case a disaster occurs and a state of emergency is declared.

PHONE TREE

Once it is verified that a crisis exists, the building administrator or designee sets the phone tree in motion. When a crisis occurs during weekends, vacation periods, or when a large number of staff is away from the school, it will be necessary to transmit information via a phone tree. At other times, when crises occur when school is in session, only the people outside the school building need to be contacted via telephone.

VIOLENT CRITICAL INCIDENT PLAN

(Active Shooter, Violent Intruder, Armed Intruder, and Terrorist Attack)

I. Purpose

The purpose of the plan is to set forth guidelines for **Washington Unified School District (WUSD)** staff and students in the event of a Violent Critical Incident on any district school grounds. While this plan explains the responses using the *ALICE* acronym, in no way does the plan suggest the acronym be used in order. This plan describes the law enforcement and security responses, in addition to providing students and staff with appropriate response options.

Staff and students are trained to make decisions and use a range of options to increase survivability during an event. All responses are based on the location of the occurrence and the nature of threat. Having a linear plan that orders inflexible procedures without considering these two paramount issues is not realistic and will not meet the goal of mitigating the incident.

Any Violent Critical Incident (VCI) will result in law enforcement, fire services and emergency medical services reporting to the scene. Once these services arrive on scene it is critical to follow the directions of, and cooperate with, all emergency personnel.

Emergency services personnel will set up their own Incident Command Center and will have complete jurisdiction over the entire scene. Unified Command will be utilized which combines law enforcement, fire personnel and emergency services into

one entity to save lives. This command center will use established practices such as the National Incident Management System (NIMS) and the Incident Command System (ICS).

II. Definitions

- A. **Violent Critical Incident (VCI):** Any event, at any location, where a person (or persons) attempts to harm innocent people by any means and regardless of motivation.
- B. **Law Enforcement Officer:** Any Federal, State or Local Sworn Peace Officer
- C. **Security Officer:** Any non-sworn contract or proprietary uniformed person charged with general security of an area and/or building.
- D. **Internal Operators:** Any administrators or staff assigned to the school site responsible for supervision of students.

III. INFORMATION/OPTIONS

- A. **ALERT:** This is the initial awareness that the event is beginning and means that some part of the facility is in contact with the threat. Persons in contact with the threat must take immediate self-protective action. This may include using one or more of the training options (Evacuate, Enhanced Lockdown, Counter). The threat will be processed through physical senses, including, but not limited to:
 - 1. Seeing the threat
 - 2. Hearing the threat
 - 3. Seeing others moving away quickly from an area
 - 4. Hearing screaming and yelling
- B. **Enhanced LOCKDOWN:** A secondary response if safe evacuation is not possible and you are not in contact with the threat. There are two reasons to utilize Enhanced LOCKDOWN as a response;
 - 1. The threat is close to your location and evacuation routes are not usable.
 - 2. You have no known location of the threat and are unsure if the evacuation routes are usable

When using Enhanced LOCKDOWN;

- 1. Lock any door that can be locked.
- 2. Barricade the doors with heavy objects to prevent access to the room and slow down a threat. Use desks, cabinets, beds, heavy equipment, etc.
- 3. If possible, turn out or disable lighting.
- 4. If possible, cover any windows in doors or walls.
- 5. Prepare counter items (books, scissors, computers, etc.) in the room in case the door is breached.
- 6. Keep distance between people and do not huddle.

7. Keep cell phones on, but place them in silent mode.
8. Prepare to counter from the sides of the door, taking care to stay out of the interior frame of the door.
9. Prepare and plan to swarm the threat should the room be breached with the goal of controlling and subduing the threat.
10. Pay attention to all INFORM announcements during the event. Law enforcement may tell you to take specific actions or circumstances may change and you may have to change your response. Remain engaged in the decision-making process.

C. **INFORM:** This is information utilization during the event to update staff to allow them to decide on the best survival options. Additionally, it may also allow law enforcement to improve their response by updating the location of the threat.

1. Any staff or student who notes the indication of a threat should, as soon as it is safe and practical to do so, call 911 and any internal security function or main office. If the staff or student can “all call” the facility, they are authorized to take that action. The initial call should include as much of the following as possible;
 - a. The name and exact location of the campus, facility or building.
 - b. The last known location of the threat(s).
 - c. The number of intruders.
 - d. The employee’s location.
 - e. The description of the threat(s).
 - f. The description and number of weapons.
2. Upon notification of the threat, internal operators, security or main office staff should immediately INFORM the rest of the facility.
 - a. Using Plain Language, internal operators or main office staff will announce the presence, location, and description of the threat.
 - b. Notification will be made using all available means. Notification shall provide any information regarding the on-going situation that will assist the building occupants in deciding their best survival response option. Typically, information answers the basic questions of where, who, what, when, and how will provide the necessary details to make an informed decision.
 - c. Any staff may use any school phone and dial to access the school intercom to make the announcement to all persons with the information as described above. This number and use of the intercom system is to be used only and during a Violent Critical Incident.

D. **COUNTER:** This is a last resort option for instances when you cannot EVACUATE or use Enhanced LOCKDOWN and are in direct contact with the threat. It is a personal choice and does not include fighting. Counter is the use of MOVEMENT, NOISE, DISTANCE, DISTRACTION AND SWARMING. Counter is used to:

1. Create an opportunity to evacuate.
2. Create opportunities to take back control/swarm.
3. Increase targeting difficulty.
4. Increase skills necessary to shoot accurately.

If a threat is in direct contact with you, all actions are permitted to increase survival.

1. Anything available can be used to throw at the shooter's face to cause distraction, such as books, computers, coffee cups, etc.
2. Create chaos in the location by making large amounts of noise and moving about the area.
3. Use numbers to swarm the threat with the goal of subduing and controlling the subject and the weapon.
4. Upon gaining control of the threat, maintain control, using any means necessary, until law enforcement officers relieve you.
5. Upon gaining control of a weapon, place it under or in a trashcan or other location. Do not brandish a weapon and do not hold it. Tell law enforcement where the weapon is, as soon as practical, after their arrival.
6. Use the resultant chaos and distraction to evacuate the area if possible.

E. **EVACUATION:** This is the preferred response. Students and staff that are not in immediate danger and can safely evacuate should leave the location and move to the Rally Point. There are some simple recommendations for evacuating;

1. Leave all belongings behind.
2. Be prepared to use non-traditional evacuation routes such as windows, loading dock doors, alarmed doors, etc.
3. Do not use vehicles.
4. Do not carry any items in your hands.
5. When evacuating, move quickly away from the location.
6. If meeting arriving law enforcement officers, place hands up with fingers splayed, follow any directions given, and should expect the possibility of being handcuffed.

The **Rally Point** for Easton Continuation High School will be:
WUHS Stadium parking lot (North)

IV. Law Enforcement Response

A. During a Violent Critical Incident, law enforcement officers will only be focused initially stopping the threat and ending the violence. Any other actions will take place after the event is ended. Additionally, officers outside the facility will set up perimeters, secure the scene, provide security at rally points, interview personnel and assist in reunification.

- V. After Action/Recovery (Note: Dependent on the facility, Rally Points and Reunification Points may be the same place or may be separate locations.)
- A. Once Unified command has issued an ALL CLEAR, law enforcement officers will begin to clear the building and will escort out personnel who had secured in an Enhanced LOCKDOWN.
 - B. They will be escorted to Rally Points.
 - C. Staff at the Rally Point, who should have already begun to account for Students and staff who evacuated, should begin to account for arriving personnel.
 - D. Law enforcement will begin to conduct preliminary interviews with people at the Rally Point/ Reunification Point before they are released.
 - E. Staff on site should begin to implement internal reunification protocols.
 - F. The designated District Incident Commander, in conjunction with the District Public Information Officer, will activate the media communications plan.
 - G. The WUSD Incident Commander will activate the facility's Crisis Response Team and activate any Mental Health Resources to provide counseling and mental health assistance at the rally/ reunification site.
 - H. The WUSD Incident Commander will debrief appropriate Staff and will act as the contact person for law enforcement in the aftermath of the event.
 - I. The WUSD Incident Commander, in consultation with law enforcement officials, will determine when school can resume normal activities and communicate information and updates to employees and the public

EVACUATE BUILDING

- Announcement “Evacuate Building” or Fire Alarm will sound
- Immediately evacuate the building using designated or safest route
- Remain in assembly area until you hear “ALL CLEAR” signal or until further instructions are given

DUCK AND COVER

At least once per year, students and staff will participate in a duck and cover earthquake drill. In the case of earthquake or another natural hazard, students and staff should do the following:

- If inside, duck under furniture and cover head with arms and hands
- If outside, drop to ground and avoid falling objects, place head between knees and cover head with arms and hands
- Move to sheltered place when possible, but avoid areas where falling objects may harm you

Washington Unified School District 2-WAY RADIO PROCEDURES

IN CASE OF A BOMB THREAT, DO NOT ACTIVATE THESE RADIOS, AS THE FREQUENCY MAY ACTIVATE THE BOMB.

Our district system is licensed and monitored by the Federal Communications Commission for school business use. In an emergency, effective communication is crucial. Follow these guidelines for radio use:

- Only one signal can be on the frequency at a time. Be sure to monitor the system before transmitting
- Minimize transmissions. Keep sentences short
- Speak slowly, clearly, within two inches of the radio
- Use clear “sign-off” terms
- During normal use, use only the channel assigned to your school

Suspension: Terroristic Threats

- (a) In addition to the reasons specified in Sections 48900, 48900.2, 48900.3, and 48900.4, a pupil may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has made terrorist threats against school officials or school property, or both.*
- (b) For the purposes of this section, “terroristic threat” shall include any statement, whether written or oral, by a person who willfully threatens to commit a crime which will result in death, great bodily injury to another person, or property damage in excess of one thousand dollars (\$1,000), with the specific intent that the statement is to be taken as a threat, even if there is no intent of actually carrying it out, which, on its face and under the circumstances in which it is made, is so unequivocal, unconditional, immediate, and specific as to convey to the person threatened, a gravity of purpose and an immediate prospect of execution of the threat, and thereby causes that person reasonably to be in sustained fear for his or her own safety or for his or her immediate family’s safety, or for the protection of school district property, or the personal property of the person threatened or his or her immediate family. (Add. Stats. 1997,*

Ch. 405)

California Welfare and Institutions Code. 5150

When any person, as a result of mental disorder, is a danger to others, or to himself/ herself, or gravely disabled, a peace officer, member of the attending staff, as defined by regulation, of an evaluation facility designated by the county, designated members of a mobile crisis team provided by Section 5651.7, or other professional person designated by the county may, upon probable cause, take, or cause to be taken, the person into custody and place him or her in a facility designated by the county and approved by the State Department of Mental Health as a facility for 72-hour treatment and evaluation.

Such facility shall require an application in writing stating the circumstances under which the person's condition was called to the attention of the officer, member of the attending staff, or professional person, and stating that the officer, member of the attending staff, or professional person has probable cause to believe that the person is, as a result of mental disorder, a danger to others, or to himself or herself, or gravely disabled. If the probable cause is based on the statement of a person other than the officer, member of the attending staff, or professional person, such person shall be liable in a civil action for intentionally giving a statement, which he/she knows to be false.

SITE THREAT ASSESSMENT TEAM

The school Site Threat Assessment Team (STAT) is comprised of at least 3 individuals from the school site crisis team:

- Administrator (Principal, Assistant Principal, or Designee)
- Mental Health Professional (School Psychologist or Student Assistance Program (SAP) Counselor trained in threat assessment)
- Law Enforcement or security staff
- School Nurse, School Social Worker or other staff designated by the school Principal

Utilizing your school crisis team chart, designate from among existing school staff, the three (3) members of the threat assessment team. One of the STAT members serves as a case manager of all actions taken, organizing and recording the steps to be taken for interviews, district and community referrals, information gathering, follow-up, etc.

THREAT ASSESSMENT PROCEDURE

1. The SITE THREAT ASSESSMENT MANAGEMENT TEAM (STAMT) consisting of administrators, SRD/Police, appropriate staff/others, psychologist, SAP or mental health worker will utilize a THREAT ASSESSMENT GUIDELINES (Page 5), PROTOCOL (Page 7), and WORKSHEET (Page 10) to help determine the significance of a threat: Low, Medium, High. (See Threat Assessment Guidelines, page 5)
2. If the threat is deemed to be a credible **HIGH LEVEL THREAT**, the STAT will recommend:
 - A school discipline/law enforcement response
 - Student Wellness Team Process (W&I Code 5150) (See 5150 Procedure Checklist)
3. When appropriate, the Site Administrator will notify the student's parents, victims and their parents, appropriate staff/others and communicate with the Assistant Superintendent. The Site Administrator should obtain a parent signature on an "**Interagency Authorization for Release of Information**" form. The Site Administrator will designate a team member to maintain a case folder on the incident.
4. The DISTRICT THREAT ASSESSMENT TEAM (DTAT) will address as necessary:
 - Liability issues
 - School safety issues
 - Student Services disciplinary issues
 - Legal issues
 - Special Education issues

5. The site's assigned Assistant Superintendent will contact the Risk Manager or the School Safety Coordinator. They will convene the DTAT and communicate with the Site Administrator to develop a course of action.

The DTAT will consist of:

- Director of Risk Management or designee
- Assigned Assistant Superintendent for the school site

And when appropriate:

- District Hearings Officer, Student Services
- Special Education Coordinator
- District Legal Counsel
- SEMS incident commander

6. When it is determined that the student will return to campus, a meeting will be held to discuss.

- A Student Wellness Plan
- Mental Health Plan, if appropriate
- Programs and Services

7. The appropriate School Site Administrator will follow up to evaluate the adequacy of the Student Wellness Plan/Mental Health Plan.

THREAT ASSESSMENT GUIDELINES

Note: The Threat Assessment Guidelines, Threat Assessment Protocol and Threat Assessment Worksheet are not intended to be used as a “profiling” tool. They should be used only after a threat to help evaluate the severity level of that threat in the total context of the student’s history, personality, family, school and social dynamics.

Threat Assessment levels are meant to assist team members in developing a response that is appropriate to a specific incident.

Threat levels are assigned to situations not persons. *Threat levels are not a “diagnosis” and are not part of the written record of intervention.*

THREAT ASSESSMENT LEVELS

A threat is referred to the Site Administrator and, if necessary, the Site Threat Assessment Team (STAT) composed of administrators, School Resource Officer, Probation Officer, appropriate staff/others, psychologist, SAP or mental health worker to determine the severity level. Following an incident report to the site’s area office, the District STAT may be convened to address safety issues.

LOW LEVEL THREAT (1): A threat that poses a minimal risk to the victim and public safety.

- Threat is vague and indirect
- Information contained within the threat is inconsistent, implausible or lacks detail.
- Threat lacks realism.
- Content of the threat suggests the person is unlikely to carry it out. It could be impulsive, a form of teasing, or show of bravado. “I could just kill him for saying that,” “You better not mess with me, I’ll beat you up”.

MEDIUM LEVEL THREAT (2): A threat that could be carried out, although it may not appear entirely realistic.

- The threat is more direct and more concrete than a low level threat. Wording in the threat suggests that the threatener has given some thought to how the act will be carried out.
- There may be a general indication of a possible place and time, though these signs still fall well short of a detailed plan.
- There is no strong indication that the threatener has taken preparatory steps, although there may be some veiled reference or ambiguous or inconclusive evidence pointing to that possibility – allusion to a book or movie that shows the planning of a violent act, or a vague, general statement about the availability of weapons.
- There may be a specific statement seeking to convey that the threat is not empty: “I’m going to beat that kid up.” “I’m serious!” or “I really mean this!” “Wait until you see what happens next Tuesday in the cafeteria”.

HIGH LEVEL THREAT (3): A threat that appears to pose an imminent and serious danger to the safety of others.

- The threat is direct, specific and plausible.
- The threat suggests concrete steps have been taken toward carrying it out, for example, statements indicating that the threatener has acquired or practiced with a weapon or has had the victim under surveillance.
- There may have been attempts to recruit accomplices, or evidence of physical evidence: written plans, lists of victims, drawings, weapons, bomb materials, or literature explaining how to carry out the acts of violence. “I am going to shoot Mr. Smith with my shotgun.”

• THREAT ASSESSMENT PROTOCOL

Site administrators using this protocol will often be able to assess a level one threat and act upon the incident using a routine approach to investigating and documenting a school discipline issue.

When a school administrator, in the course of investigating a threat, identifies elements of a higher-level threat, a team should be convened and the site Principal should be informed.

Statement: *The central question of a threat assessment is whether a student poses a threat, not whether a student made a threat.*

- Less than 20% of school shooters communicated a direct or conditional threat to their target before the attack.
- More than 80% did not make a direct threat, but they did communicate their intent and or plans to others before the attack.
- Judgments about a student's risk of violence should be based upon analysis of behaviorally relevant **facts**, not "traits" or "profiles."
- An investigative, skeptical, inquisitive mindset is critical to successful threat assessment.
- There should be thoughtful probing, healthy skepticism, and attention to key points about pre-attack behaviors, a striving to be both accurate and fair. There should be credible verification of all essential "facts" and corroboration about an attacker's interests, statements, and actions.
- There should be liberal use of "common sense" throughout.

STEP ONE: REFERRAL

Referral to Administrator, and STAT if needed.

STEP TWO: THREAT ASSESSMENT

- Is it specific? Was there pre-planning? Were diaries, journals, web sites used to record thinking?
- Is it direct, detailed? Does it have a: motive, intent, time, place? Were there attempts to recruit accomplices?
- Are there means to carry it out? Were weapons sought out? Was there practice with weapons?

STEP THREE: 4-PRONGED ASSESSMENT*

(1) **Personal behavior:** Based on information from faculty members and family members who knew the person before the threat was made: Immaturity, leakage (revealing clues), low frustration tolerance, poor coping skills, "injustice collector", depressive/suicidal, paranoia, narcissism, alienation, dehumanizes others, lack of empathy, externalizes blame, hit lists, closed/peripheral social group, bullying victim, fascination with violence-filled entertainment, excessive reference to mass murder/shooting sprees, stalking behavior, anger problems, radical changes in behavior, romantic breakup?

(2) **Family dynamics:** Turbulent parent-child relationship, "dominates" at home?

(3) **School dynamics:** “detached” at school, bully or victim, belongs to hate or fringe group, distrusts school?

(4) **Social dynamics:** unrestricted access to themes and images of extreme violence, isolated/alienated?

STEP FOUR: OTHER INTERVIEWS

Parents: Get signature for **Interagency Authorization for Release of Information**

Target of threat: Is interviewed. Is the threat likely to be acted upon? History?

STEP FIVE: EVALUATION AND RESPONSE

LEVEL 1: LOW

The threat poses little threat to public safety and in most cases would not necessitate law enforcement investigation for a possible criminal offense. Extensive interviews are usually not necessary. **RESPONSE: *School counseling/mediation or disciplinary action could be an appropriate response.***

LEVEL 2: MEDIUM

The response should in most cases include contacting law enforcement agencies, as well as other sources, to obtain additional information (and possibly reclassify the threat into the high or low category). **RESPONSE: *School disciplinary actions and/or referral for service may be appropriate responses.***

LEVEL 3: HIGH

Almost always the school should immediately inform the appropriate law enforcement agency and they should be involved in whatever subsequent actions are taken.

RESPONSE: A high level threat may result in:

- **Suspension**
- **Referral for expulsion**
- **Criminal prosecution**

Individual cases with a mental health basis, and/or low mental functioning and/or emotional disturbance or cases in which there is a high level threat of suicide, the Student Wellness Team / WI5150 process will result. (See 5150-procedure flowchart)

TERMS AND FACTORS

DIRECT: It identifies a specific act against a specific target and is delivered in a straightforward, clear, and explicit manner: “I am going to place a bomb in the school’s gym.”

INDIRECT: It tends to be vague, unclear, and ambiguous. The plan, the intended victim, the motivation, and other aspects of the threat are masked or equivocal: “If I wanted to, I could kill everyone at this school!”— and suggests that a violent act COULD occur, not that it WILL occur.

VEILED: It is one that strongly implies but does not explicitly threaten violence. “We would be better off without you around anymore” clearly hints at a possible violent act, but leaves it to the potential victim to interpret the message and give a definite meaning to the threat.

CONDITIONAL: It is the type of threat often seen in extortion cases. It warns that a violent act will happen unless certain demands or terms are met: “If you don’t pay me one million dollars, I will place a bomb in the school.”

FACTORS IN THREAT ASSESSMENT

SPECIFIC DETAILS: These can indicate that substantial thought, planning, and preparatory steps have already been taken, suggesting a higher risk that the threatener will follow through on his threat: the means, weapon, method, date, time, place, identity of victim(s) and concrete information and plans.

LOGICAL, PLAUSIBLE DETAILS: These suggest a very real possibility of being carried out and a high level of risk. Details that are specific but not logical or plausible may indicated a less serious threat that is unlikely to be carried out.

EMOTIONAL CONTENT: This can be an important clue to the threatener’s mental state. Though emotionally charged threats can tell the assessor something about the temperament of the threatener, they are not a measure of danger. They may sound frightening, but no correlation has been established between the emotional intensity in a threat and the risk that it will be carried out.

PRECIPITATING STRESSORS: These are incidents, circumstances, reactions, or situations, which can trigger a threat. The precipitating event may seem insignificant and have no direct relevance to the threat, but nonetheless, can become a catalyst. The impact of a precipitating event will obviously depend on “pre-disposing factors”: underlying personality traits, characteristics, and temperament that predispose and adolescent to fantasize about violence or act violently. These must be considered together with broader information about these underlying factors.

STUDENT WELLNESS TEAMS

OBJECTIVE:

SAFE SCHOOLS/HEALTHY STUDENTS is a Federal initiative of persons whose mission is to develop and maintain programs and intra/inter agency collaborations that promote physical, mental, and social health in our students with the goal of promoting educational success. *The objective of Student Wellness Teams is to coordinate the care of students who have been recently evaluated for and/or held on Welfare and Institutions Code 5150 status.*

Students will:

- Have a Student Wellness Plan (Safety, Mental Health and, when appropriate, Educational Plan) developed after a 5150 assessment
- When appropriate, participate in the Student Wellness Team Meeting

Parents will:

- Participate in the Student Wellness Team Meeting

Staff will:

- Follow 5150 Procedure Checklist and Flow Chart (Attachments 1, 2)
- Minimally include Parent, Student, Site Administration representative, and School Psychologist on Student Wellness Team. (May also include: Student Assistance Program therapist, Nurse, Teacher, Counselor, School Social Worker, Mental Health Worker, K-Six Worker, private provider.)
- Develop Student Wellness Plans collaboratively
- Complete Student Wellness Plan (Attachment 3) and distribute to appropriate individuals
- Keep all Student Wellness Team information **confidential**
- Utilize appropriate release of information forms
- Collaboratively decide when to end the Student Wellness Plan
- Provide feedback to site Psychologist on efficacy of Student Wellness Team

STUDENT WELLNESS TEAM CONCEPT

Student Wellness Teams are responsible to the Site Principal for coordinating safety/wellness/education plans for students who have been or are at risk for WI Code 5150 status designation.

The School Site collaboratively determines how the SW Team operates, keeping at the forefront adherence to State and Federal confidentiality laws, professional scope of practice, ethics, and best practices guidelines.

Minimally, Student Wellness Teams include Site Administration, the Psychologist, the student, and the student's parent(s)/guardian(s). Others may be School Nurses, School Counselors, School Social Workers, Student Assistance Program therapists, Mental Health Workers (County/ contracted), K-Six Workers, and private providers.

The SW Team may schedule meetings as needed after a student has been assessed by COPE for 5150. The meetings do not have to be formal, but must be documented on the Student Wellness Plan. The plan is intended to be short-term and for the acute situation only.

Roles and responsibilities will be determined by the Site Administration. The Professional completing the Assessment of High Risk Areas form will be the contact person for the COPE Team until the Student Wellness Team meets and determines who the contact (case manager) will be. COPE will contact Site Admin when student is released, provided a valid release has been signed.

Site 5150 files will be maintained by Site Administration or designee.

Student Wellness Teams will report concerns about processes and about efficacy of the Team to the site psychologist.

Bullying also includes an act of cyber sexual bullying by a student through the dissemination of, or the solicitation or incitement to disseminate, a photograph or other visual recording that depicts a nude, semi-nude, or sexually explicit photograph or other visual recording of an identifiable minor, when such dissemination is to another student or to school personnel by means of an electronic act and has or can be reasonably predicted to have one or more of the effects of bullying described above. Cyber sexual bullying does not include a depiction, portrayal, or image that has any serious literary, artistic, educational, political, or scientific value or that involves athletic events or school-sanctioned activities.

Electronic act means the creation or transmission originated on or off the school site by means of an electronic device, including, but not limited to, a telephone, wireless telephone, or other wireless communication device, computer, or pager, of a communication including, but not limited to: (Education Code 48900(r))

Reasonable student means a student, including, but not limited to, a student who has been identified as a student with a disability, who exercises average care, skill, and judgment in conduct for a person of the student's age, or for a person of the student's age and disability. (Education Code 48900(r))

19. Made terrorist threats against school officials and/or school property (Education Code 48900.7)

(Education Code 48900.7)

Additional Grounds for Suspension and Expulsion: Grades 4-12

A student in grades 4-12 shall be subject to suspension or recommendation for expulsion when it is determined that the student:

1. Committed sexual harassment as defined in Education Code 212.5 (Education Code 48900.2)

Sexual harassment means conduct which, when considered from the perspective of a reasonable person of the same gender as the victim, is sufficiently severe or pervasive as to have a negative impact upon the victim's academic performance or to create an intimidating, hostile, or offensive educational environment. (Education Code 212.5, 48900.2)

(cf. 5145.7 - Sexual Harassment)

2. Caused, attempted to cause, threatened to cause, or participated in an act of hate violence as defined in Education Code 233 (Education Code 48900.3)

Hate violence means any act punishable under Penal Code 422.6, 422.7, or 422.75. Such acts include injuring or intimidating a victim, interfering with the exercise of a victim's civil rights, or damaging a victim's property because of the victim's race, ethnicity, religion, nationality, disability, gender, gender identity, gender expression, or sexual orientation; a perception of the presence of any of those characteristics in the victim; or the victim's association with a person or group with one or more of those actual or perceived characteristics. (Education Code 233; Penal Code 422.55)

(cf. 5145.9 - Hate-Motivated Behavior)

3. Intentionally engaged in harassment, threats, or intimidation against district personnel or students that is sufficiently severe or pervasive to have the actual and reasonably expected effect of materially disrupting classwork, creating substantial disorder, and invading the rights of school personnel or students by creating an intimidating or hostile educational environment (Education Code 48900.4)

(cf. 5145.3 - Nondiscrimination/Harassment)

Additional Grounds for Suspension and Expulsion: Grades 9-12

Any student in grades 9-12 may be suspended, but not expelled, for disrupting school activities or otherwise willfully defying the valid authority of supervisors, teachers, administrators, other school officials, or other school personnel engaged in the performance of their duties. (Education Code 48900(k))

(cf. 5131.4 - Student Disturbances) Suspension from Class by a Teacher

A teacher may suspend a student from class for the remainder of the day and the following day for any of the acts specified in Education Code 48900 and listed as items #1-18 under "Grounds for Suspension and Expulsion: Grades K-12" above or for disruption or willful defiance at any grade level, including grades K-8. (Education Code 48910)

When suspending a student from class, the teacher shall immediately report this action to the principal or designee and send the student to the principal or designee for appropriate action. If that action requires the continuing presence of the student at school, the student shall be appropriately supervised during the class periods from which the student has been suspended. (Education Code 48910)

As soon as possible after the teacher decides to suspend the student, the teacher shall ask the student's parent/guardian to attend a parent-teacher conference regarding the suspension. A counselor or psychologist may attend the conference if it is practicable, and a school administrator shall attend if either the parent/guardian or teacher so requests. (Education Code 48910)

A student suspended from class shall not be returned to class during the period of the suspension without the approval of the teacher of the class and the principal or designee. (Education Code 48910)

A student suspended from class shall not be placed in another regular class during the period of suspension. However, a student assigned to more than one class per day may continue to attend other regular classes except those held at the same time as the class from which the student was suspended. (Education Code 48910)

The teacher of any class from which a student is suspended may require the student to complete any assignments and tests missed during the removal. (Education Code 48913)

Suspension by Superintendent, Principal or Principal's Designee

To implement disciplinary procedures at a school site, the principal may, in writing, designate as the principal's designee another administrator or, if the principal is the only administrator at the school site, a certificated employee. As necessary, the principal may, in writing, also designate another administrator or certificated employee as the secondary designee to assist with disciplinary procedures when the principal and the principal's primary designee are absent from the school site.

The Superintendent, principal, or designee shall immediately suspend any student found at school or at a school activity to have committed any of the acts listed in the Board policy under "Authority to Expel" for which a recommendation of expulsion is required. (Education Code 48915(c))

The Superintendent, principal, or designee may impose a suspension for a first offense if it is determined that the student violated any of items #1-5 listed under "Grounds for Suspension and Expulsion: Grades K-12" above or if the student's presence causes a danger to persons. (Education Code 48900.5)

For all other offenses, a student may be suspended only when the Superintendent or principal has determined that other means of correction have failed to bring about proper conduct. (Education Code 48900.5)

When other means of correction are implemented prior to imposing suspension or supervised suspension upon a student, the Superintendent, principal, or designee shall document the other means of correction used and retain the documentation in the student's record. (Education Code 48900.5)
(cf. 5125 - Student Records)

Length of Suspension

The Superintendent, principal, or designee may suspend a student from school for not more than five consecutive school days. (Education Code 48911)

A student may be suspended from school for not more than 20 school days in any school year. However, if a student enrolls in or is transferred to another regular school, an opportunity school, or continuation school or class for the purpose of adjustment, the student may be suspended for not more than 30 school days in a school year. The district may count suspensions that occur while a student is enrolled in another school district toward the maximum number of days for which the student may be suspended in any school year. (Education Code 48903, 48911, 48912)
(cf. 6184 - Continuation Education)

These restrictions on the number of days of suspension shall not apply when the suspension is extended pending an expulsion. (Education Code 48911)

Due Process Procedures for Suspension

Suspensions shall be imposed in accordance with the following procedures:

1. Informal Conference: Suspension shall be preceded by an informal conference conducted by the Superintendent, principal, or designee with the student and, whenever practicable, the teacher, supervisor, or school employee who referred the student to the principal. At the conference, the student shall be informed of the reason for the disciplinary action, including the other means of correction that were attempted before the suspension as required pursuant to Education Code 48900.5, and the evidence against the student, and shall be given the opportunity to present the student's version and evidence. (Education Code 48911)

This conference may be omitted if the Superintendent, principal, or designee determines that an emergency situation exists involving a clear and present danger to the lives, safety, or health of students or school personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of the conference and the conference shall be held within two school days, unless the student waives the right to it or is physically unable to attend for any reason. In such a case, the conference shall be held as soon as the student is physically able to return to school. (Education Code 48911)

2. Administrative Actions: All requests for student suspension are to be processed by the principal or designee. A school employee shall report the suspension, including the name of the student and the cause for the suspension, to the Superintendent or designee. (Education Code 48911)
3. Notice to Parents/Guardians: At the time of the suspension, a school employee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall also be notified in writing of the suspension. (Education Code 48911)

This notice shall state the specific offense committed by the student. (Education Code 48900.8)

In addition, the notice may state the date and time when the student may return to school.

4. Parent/Guardian Conference: Whenever a student is suspended, school officials may request a meeting with the parent/guardian to discuss the cause(s) and duration of the suspension, the school policy involved, and any other pertinent matter. (Education Code 48914)

If school officials request to meet with the parent/guardian, the notice may state that the law requires the parent/guardian to respond to such requests without delay. However, no penalties may be imposed on the student for the failure of the parent/guardian to attend such a conference. The student may not be denied reinstatement solely because the parent/guardian failed to attend the conference. (Education Code 48911)

5. Extension of Suspension: If the Board is considering the expulsion of a suspended student from any school or the suspension of a student for the balance of the semester from continuation school, the Superintendent or designee may, in writing, extend the suspension until such time as the Board has made a decision, provided the following requirements are followed: (Education Code 48911)
 - a. The extension of the original period of suspension is preceded by notice of such extension with an offer to hold a conference concerning the extension, giving the student an opportunity to be heard. This conference may be held in conjunction with a meeting requested by the student or parent/guardian to challenge the original suspension.
 - b. The Superintendent or designee determines, following a meeting in which the student and the student's parent/guardian were invited to participate, that the student's presence at the school or at an alternative school would endanger persons or property or threaten to disrupt the instructional process. (Education Code 48911)
 - c. If the student involved is a foster youth, the Superintendent or designee shall notify the district liaison for foster youth of the need to invite the student's attorney and a representative of the appropriate county child welfare agency to attend the meeting. (Education Code 48853.5, 48911, 48918.1)

(cf. 6173.1 - Education for Foster Youth)

d. If the student involved is a homeless child or youth, the Superintendent or designee shall notify the district liaison for homeless students. (Education Code 48918.1)

(cf. 6173 - Education for Homeless Children)

In lieu of or in addition to suspending a student, the Superintendent, principal, or designee may provide services or require the student to participate in an alternative disciplinary program designed to correct the behavior and keep the student in school.

Suspension by the Board

The Board may suspend a student for any of the acts listed under "Grounds for Suspension and Expulsion: Grades K-12," "Additional Grounds for Suspension and Expulsion: Grades 4-12," and "Additional Grounds for Suspension and Expulsion: Grades 9-12" above and within the limits specified under "Suspension by Superintendent, Principal, or Designee" above. (Education Code 48912)

The Board may suspend a student enrolled in a continuation school or class for a period not longer than the remainder of the semester. The suspension shall meet the requirements of Education Code 48915. (Education Code 48912.5)

When the Board is considering a suspension, disciplinary action, or any other action (except expulsion) against any student, it shall hold a closed session if a public hearing would lead to disclosure of information that would violate a student's right to privacy under Education Code 49073-49079. (Education Code 35146, 48912)

(cf. 9321 - Closed Session)

The Board shall provide the student and parent/guardian with written notice of the closed session by registered or certified mail or personal service. Upon receiving this notice, the student or parent/guardian may request a public meeting, and this request shall be granted if made in writing within 48 hours after receipt of the Board's notice. However, any discussion that conflicts with any other student's right to privacy still shall be held in closed session. (Education Code 35146, 48912)

On-Campus Suspension

A student for whom an expulsion action has not been initiated and who poses no imminent danger or threat to the school, students, or staff may be assigned to on-campus suspension in a separate classroom, building, or site for the entire period of suspension. The following conditions shall apply: (Education Code 48911.1)

1. The on-campus suspension classroom shall be staffed in accordance with law.
2. The student shall have access to appropriate counseling services.
3. The on-campus suspension classroom shall promote completion of schoolwork and tests missed by the student during the suspension.

4. The student shall be responsible for contacting the student's teacher(s) to receive assignments to be completed in the supervised suspension classroom. The teacher(s) shall provide all assignments and tests that the student will miss while suspended. If no such work is assigned, the person supervising the suspension classroom shall assign schoolwork.

At the time a student is assigned to an on-campus suspension classroom, the principal or designee shall notify the student's parent/guardian in person or by telephone. When the assignment is for longer than one class period, this notification may be made in writing. (Education Code 48911.1)

Superintendent or Principal's Authority to Recommend Expulsion

Unless the Superintendent or principal determines that expulsion should not be recommended under the circumstances or that an alternative means of correction would address the conduct, the Superintendent or principal shall recommend a student's expulsion for any of the following acts: (Education Code 48915)

1. Causing serious physical injury to another person, except in self-defense
2. Possession of any knife or other dangerous object of no reasonable use to the student
3. Unlawful possession of any controlled substance as listed in Health and Safety Code 11053-11058, except for (a) the first offense for the possession of not more than one ounce of marijuana, other than concentrated cannabis, or (b) the student's possession of over-the-counter medication or other medication prescribed by a physician
4. Robbery or extortion
5. Assault or battery, as defined in Penal Code 240 and 242, upon any school employee

In determining whether or not to recommend the expulsion of a student, the Superintendent, principal, or designee shall act as quickly as possible to ensure that the student does not lose instructional time. (Education Code 48915)

Student's Right to Expulsion Hearing

Any student recommended for expulsion shall be entitled to a hearing to determine whether the student should be expelled. The hearing shall be held within 30 school days after the Superintendent, principal, or designee determines that the student has committed the act(s) that form the basis for the expulsion recommendation. (Education Code 48918(a))

The student is entitled to at least one postponement of an expulsion hearing for a period of not more than 30 calendar days. The request for postponement shall be in writing. Any subsequent postponement may be granted at the Board's discretion. (Education Code 48918(a))

If the Board finds it impractical during the regular school year to comply with these time requirements for conducting an expulsion hearing, the Superintendent or designee may, for good cause, extend the time period by an additional five school days. Reasons for the extension shall be included as a part of the record when the expulsion hearing is held. (Education Code 48918(a))

If the Board finds it impractical to comply with the time requirements of the expulsion hearing due to a summer recess of Board meetings of more than two weeks, the days during the recess shall not be counted as school days. The days not counted during the recess may not exceed 20 school days, as defined in Education Code 48925. Unless the student requests in writing that the expulsion hearing be postponed, the hearing shall be held not later than 20 calendar days prior to the first day of the next school year. (Education Code 48918(a))

Once the hearing starts, all matters shall be pursued with reasonable diligence and concluded without unnecessary delay. (Education Code 48918(a))

Stipulated Expulsion

After a determination that a student has committed an expellable offense, the Superintendent, principal, or designee shall offer the student and parent/guardian the option to waive a hearing and stipulate to the expulsion or to a suspension of the expulsion under certain conditions. The offer shall be made only after the student or parent/guardian has been given written notice of the expulsion hearing pursuant to Education Code 48918.

The stipulation agreement shall be in writing and shall be signed by the student and parent/guardian. The stipulation agreement shall include notice of all the rights that the student is waiving, including the waiving of the right to have a full hearing, to appeal the expulsion to the County Board of Education, and to consult legal counsel.

A stipulated expulsion agreed to by the student and parent/guardian shall be effective upon approval by the Board.

Rights of Complaining Witness

An expulsion hearing involving allegations of sexual assault or sexual battery may be postponed for one school day in order to accommodate the special physical, mental, or emotional needs of a student who is the complaining witness. (Education Code 48918.5)

Whenever the Superintendent or designee recommends an expulsion hearing that addresses allegations of sexual assault or sexual battery, the Superintendent or designee shall give the complaining witness a copy of the district's suspension and expulsion policy and regulation and shall advise the witness of the right to: (Education Code 48918.5)

1. Receive five days' notice of the scheduled testimony at the hearing
2. Have up to two adult support persons present at the hearing at the time the witness testifies

3. Have a closed hearing during the time the witness testifies

Whenever any allegation of sexual assault or sexual battery is made, the Superintendent or designee shall immediately advise complaining witnesses and accused students to refrain from personal or telephone contact with each other during the time when an expulsion process is pending. (Education Code 48918.5)

Written Notice of the Expulsion Hearing

Written notice of the expulsion hearing shall be forwarded to the student and the student's parent/guardian at least 10 calendar days before the date of the hearing. The notice shall include: (Education Code 48900.8, 48918(b))

1. The date and place of the hearing
2. A statement of the specific facts, charges, and offense upon which the proposed expulsion is based
3. A copy of district disciplinary rules which relate to the alleged violation
4. Notification of the student's or parent/guardian's obligation, pursuant to Education Code 48915.1, to provide information about the student's status in the district to any other district in which the student seeks enrollment

This obligation applies when a student is expelled for acts other than those described in Education Code 48915(a) or (c).

(cf. 5119 - Students Expelled from Other Districts)

5. The opportunity for the student or the student's parent/guardian to appear in person or be represented by legal counsel or by a nonattorney adviser

Legal counsel means an attorney or lawyer who is admitted to the practice of law in California and is an active member of the State Bar of California.

Nonattorney adviser means an individual who is not an attorney or lawyer, but who is familiar with the facts of the case and has been selected by the student or student's parent/guardian to provide assistance at the hearing.

6. The right to inspect and obtain copies of all documents to be used at the hearing
7. The opportunity to confront and question all witnesses who testify at the hearing
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf, including witnesses

Additional Notice of Expulsion Hearing for Foster Youth and Homeless Students

If the student facing expulsion is a foster student, the Superintendent or designee shall also send notice of the hearing to the student's attorney and a representative of an appropriate child welfare agency at least 10 days prior to the hearing. (Education Code 48918.1)

If the student facing expulsion is a homeless student, the Superintendent or designee shall also send notice of the hearing to the district liaison for homeless students at least 10 days prior to the hearing. (Education Code 48918.1)

Any notice for these purposes may be provided by the most cost-effective method possible, including by email or a telephone call. (Education Code 48918.1)

Conduct of Expulsion Hearing

1. Closed Session: Notwithstanding Education Code 35145, the Board shall conduct a hearing to consider the expulsion of the student in a session closed to the public unless the student requests in writing at least five days prior to the hearing that the hearing be a public meeting. If such a request is made, the meeting shall be public to the extent that privacy rights of other students are not violated. (Education Code 48918)

Whether the expulsion hearing is held in closed or public session, the Board may meet in closed session to deliberate and determine whether or not the student should be expelled. If the Board admits any other person to this closed session, the parent/guardian, the student, and the counsel of the student also shall be allowed to attend the closed session. (Education Code 48918(c))

If a hearing that involves a charge of sexual assault or sexual battery is to be conducted in public, a complaining witness shall have the right to testify in closed session when testifying in public would threaten serious psychological harm to the witness and when there are no alternative procedures to avoid the threatened harm, including, but not limited to, a videotaped deposition or contemporaneous examination in another place communicated to the hearing room by closed-circuit television. (Education Code 48918(c))

2. Record of Hearing: A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made. (Education Code 48918(g))
3. Subpoenas: Before commencing a student expulsion hearing, the Board may issue subpoenas, at the request of either the student or the Superintendent or designee, for the personal appearance at the hearing of any person who actually witnessed the action that gave rise to the recommendation for expulsion. After the hearing has commenced, the Board or the hearing officer or administrative panel may issue such subpoenas at the request of the student or the County Superintendent of Schools or designee. All subpoenas shall be issued in accordance with Code of Civil Procedure 1985-1985.2 and enforced in accordance with Government Code 11455.20. (Education Code 48918(i))

Any objection raised by the student or the Superintendent or designee to the issuance of subpoenas may be considered by the Board in closed session, or in open session if so requested by the student, before the meeting. The Board's decision in response to such an objection shall be final and binding. (Education Code 48918(i))

If the Board determines, or if the hearing officer or administrative panel finds and submits to the Board, that a witness would be subject to unreasonable risk of harm by testifying at the hearing, a subpoena shall not be issued to compel the personal attendance of that witness at the hearing. However, that witness may be compelled to testify by means of a sworn declaration as described in item #4 below. (Education Code 48918(i))

4. Presentation of Evidence: Technical rules of evidence shall not apply to the expulsion hearing, but relevant evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. The decision of the Board to expel shall be supported by substantial evidence that the student committed any of the acts pursuant to Education Code 48900 and listed in "Grounds for Suspension and Expulsion: Grades K-12," "Additional Grounds for Suspension and Expulsion: Grades 4-12," and "Additional Grounds for Suspension and Expulsion: Grades 9-12" above. (Education Code 48918(h))

Findings of fact shall be based solely on the evidence at the hearing. Although no finding shall be based solely on hearsay, sworn declarations may be admitted as testimony from witnesses whose disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm. (Education Code 48918(f))

In cases where a search of a student's person or property has occurred, evidence describing the reasonableness of the search shall be included in the hearing record.

5. Testimony by Complaining Witnesses: The following procedures shall be observed when a hearing involves allegations of sexual assault or sexual battery by a student:
(Education Code 48918, 48918.5)
 - a. Any complaining witness shall be given five days' notice before being called to testify.
 - b. Any complaining witness shall be entitled to have up to two adult support persons, including, but not limited to, a parent/guardian or legal counsel, present during the testimony.
 - c. Before a complaining witness testifies, support persons shall be admonished that the hearing is confidential.
 - d. The person presiding over the hearing may remove a support person who is disrupting the hearing.
 - e. If one or both support persons are also witnesses, the hearing shall be conducted in accordance with Penal Code 868.5.
 - f. Evidence of specific instances of prior sexual conduct of a complaining witness shall be presumed inadmissible and shall not be heard unless the person conducting the hearing determines that extraordinary circumstances require the evidence to be heard. Before such a determination is made, the complaining witness shall be given notice and an opportunity to oppose the introduction of this evidence. In the hearing on the admissibility of this evidence, the complaining witness shall be entitled to be represented by a parent/guardian, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of a complaining witness shall not be admissible for any purpose.
 - g. In order to facilitate a free and accurate statement of the experiences of the complaining witness and to prevent discouragement of complaints, the district shall provide a nonthreatening environment.

- (1) The district shall provide a room separate from the hearing room for the use of the complaining witness before and during breaks in testimony.
 - (2) At the discretion of the person conducting the hearing, the complaining witness shall be allowed reasonable periods of relief from examination and cross-examination during which the complaining witness may leave the hearing room.
 - (3) The person conducting the hearing may:
 - (a) Arrange the seating within the hearing room so as to facilitate a less intimidating environment for the complaining witness
 - (b) Limit the time for taking the testimony of a complaining witness to normal school hours, if there is no good cause to take the testimony during other hours
 - (c) Permit one of the support persons to accompany the complaining witness to the witness stand
6. Decision: The Board's decision as to whether to expel a student shall be made within 40 school days after the student is removed from school, unless the student requests in writing that the decision be postponed. (Education Code 48918(a))

Alternative Expulsion Hearing: Hearing Officer or Administrative Panel

Instead of conducting an expulsion hearing itself, the Board may contract with the county hearing officer or with the Office of Administrative Hearings of the State of California for a hearing officer. The Board may also appoint an impartial administrative panel composed of three or more certificated personnel, none of whom shall be members of the Board or on the staff of the school in which the student is enrolled. (Education Code 48918)

A hearing conducted by the hearing officer or administrative panel shall conform to the same procedures applicable to a hearing conducted by the Board as specified above in "Conduct of Expulsion Hearing," including the requirement to issue a decision within 40 school days of the student's removal from school, unless the student requests that the decision be postponed. (Education Code 48918(a) and (d))

The hearing officer or administrative panel shall, within three school days after the hearing, determine whether to recommend expulsion of the student to the Board. If expulsion is not recommended, the expulsion proceeding shall be terminated and the student shall be immediately reinstated and permitted to return to the classroom instructional program from which the referral was made, unless another placement is requested in writing by the student's parent/guardian.

Before the student's placement decision is made by the student's parent/guardian, the Superintendent or designee shall consult with the parent/guardian and district staff, including the student's teachers, regarding other placement options for the student in addition to the option to return to the classroom instructional program from which the student's expulsion referral was made. The decision to not recommend expulsion shall be final. (Education Code 48918(e))

If expulsion is recommended, findings of fact in support of the recommendation shall be prepared and submitted to the Board. All findings of fact and recommendations shall be based solely on the evidence presented at the hearing. The Board may accept the

recommendation based either upon a review of the findings of fact and recommendations submitted or upon the results of any supplementary hearing the Board may order. (Education Code 48918(f))

In accordance with Board policy, the hearing officer or administrative panel may recommend that the Board suspend the enforcement of the expulsion. If the hearing officer or administrative panel recommends that the Board expel a student but suspend the enforcement of the expulsion, the student shall not be reinstated and permitted to return to the classroom instructional program from which the referral was made until the Board has ruled on the recommendation. (Education Code 48917, 48918)

Final Action by the Board

Whether the expulsion hearing is conducted in closed or open session by the Board, a hearing officer, or an administrative panel or is waived through the signing of a stipulated expulsion agreement, the final action to expel shall be taken by the Board in public. (Education Code 48918(j))

The Board's decision is final. If the decision is to not expel, the student shall be reinstated immediately. If the decision is to suspend the enforcement of the expulsion, the student shall be reinstated under the conditions of the suspended expulsion.

Upon ordering an expulsion, the Board shall set a date when the student shall be reviewed for readmission to a school within the district. For a student expelled for any "mandatory recommendation and mandatory expulsion" act listed in the section "Authority to Expel" in the accompanying Board policy, this date shall be one year from the date the expulsion occurred, except that the Board may set an earlier date on a case-by-case basis. For a student expelled for other acts, this date shall be no later than the last day of the semester following the semester in which the expulsion occurred. If an expulsion is ordered during summer session or the intersession period of a year-round program, the Board shall set a date when the student shall be reviewed for readmission not later than the last day of the semester following the summer session or intersession period in which the expulsion occurred. (Education Code 48916)

At the time of the expulsion order, the Board shall recommend a plan for the student's rehabilitation, which may include: (Education Code 48916)

1. Periodic review, as well as assessment at the time of review, for readmission
2. Recommendations for improved academic performance, tutoring, special education assessments, job training, counseling, employment, community service, or other rehabilitative programs

With parent/guardian consent, students who have been expelled for reasons relating to controlled substances or alcohol may be required to enroll in a county-sponsored drug rehabilitation program before returning to school. (Education Code 48916.5)

Written Notice to Expel

The Superintendent or designee shall send written notice of the decision to expel to the student or parent/guardian. This notice shall include the following:

1. The specific offense committed by the student for any of the causes for suspension or expulsion listed above under "Grounds for Suspension and Expulsion: Grades K-12," "Additional Grounds for Suspension and Expulsion: Grades 4-12," or "Additional Grounds for Suspension and Expulsion: Grades 9-12" (Education Code 48900.8)

Decision to Suspend Expulsion Order

In accordance with Board policy, when deciding whether to suspend the enforcement of an expulsion order, the Board shall take into account the following criteria:

1. The student's pattern of behavior
2. The seriousness of the misconduct
3. The student's attitude toward the misconduct and willingness to follow a rehabilitation program

The suspension of the enforcement of an expulsion shall be governed by the following:

1. The Board may, as a condition of the suspension of enforcement, assign the student to a school, class, or program appropriate for the student's rehabilitation. This rehabilitation program may provide for the involvement of the student's parent/guardian in the student's education. However, a parent/guardian's refusal to participate in the rehabilitation program shall not be considered in the Board's determination as to whether the student has satisfactorily completed the rehabilitation program. (Education Code 48917)
2. During the period when enforcement of the expulsion order is suspended, the student shall be on probationary status. (Education Code 48917)
3. The suspension of the enforcement of an expulsion order may be revoked by the Board if the student commits any of the acts listed under "Grounds for Suspension and Expulsion: Grades K-12," "Additional Grounds for Suspension and Expulsion: Grades 4-12," or "Additional Grounds for Suspension and Expulsion: Grades 9-12" above or violates any of the district's rules and regulations governing student conduct. (Education Code 48917)
4. When the suspension of enforcement of an expulsion order is revoked, a student may be expelled under the terms of the original expulsion order. (Education Code 48917)

5. Upon satisfactory completion of the rehabilitation assignment, the Board shall reinstate the student in a district school. Upon reinstatement, the Board may order the expunging of any or all records of the expulsion proceedings. (Education Code 48917)
6. The Superintendent or designee shall send written notice of any decision to suspend the enforcement of an expulsion order during a period of probation to the student or parent/guardian. The notice shall inform the parent/guardian of the right to appeal the expulsion to the County Board, the alternative educational placement to be provided to the student during the period of expulsion, and the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the expelling district, pursuant to Education Code 48915.1(b). (Education Code 48918(j))
7. Suspension of the enforcement of an expulsion order shall not affect the time period and requirements for the filing of an appeal of the expulsion order with the County Board. (Education Code 48917)

Appeal

The student or parent/guardian is entitled to file an appeal of the Board's decision with the County Board. The appeal must be filed within 30 days of the Board's decision to expel, even if the expulsion order is suspended and the student is placed on probation. (Education Code 48919)

If the student submits a written request for a copy of the written transcripts and supporting documents from the district simultaneously with the filing of the notice of appeal with the County Board, the district shall provide the student with these documents within 10 school days following the student's written request. (Education Code 48919)

Notification to Law Enforcement Authorities

Prior to the suspension or expulsion of any student, the principal or designee shall notify appropriate city or county law enforcement authorities of any student acts of assault which may have violated Penal Code 245. (Education Code 48902)

The principal or designee shall notify appropriate city or county law enforcement authorities of any student acts which may involve the possession or sale of narcotics or of a controlled substance, or of any student acts involving the possession, sale, or furnishing of firearms, explosives, or other dangerous weapons in violation of Education Code 48915(c)(1) or (5) or Penal Code 626.9 and 626.10. (Education Code 48902)

Within one school day after a student's suspension or expulsion, the principal or designee shall notify appropriate county or district law enforcement authorities, by telephone or other appropriate means, of any student acts which may violate Education Code 48900(c) or (d), relating to the possession, use, offering, or sale of controlled substances, alcohol, or intoxicants of any kind. (Education Code 48902)

Placement During Expulsion

The Board shall refer expelled students to a program of study that is: (Education Code 48915, 48915.01)

1. Appropriately prepared to accommodate students who exhibit discipline problems
2. Not provided at a comprehensive middle, junior, or senior high school or at any elementary school, unless the program is offered at a community day school established at any of these
3. Not housed at the school site attended by the student at the time of suspension (cf. 6158 - Independent Study)
(cf. 6185 - Community Day School)

When the placement described above is not available and when the County Superintendent so certifies, students expelled for only acts described in items #6-12 under "Grounds for Suspension and Expulsion: Grades K-12" and items #1-3 under "Additional Grounds for Suspension and Expulsion: Grades 4-12" above may be referred to a program of study that is provided at another comprehensive middle, junior, or senior high school or at an elementary school. (Education Code 48915)

The program for a student expelled from any of grades K-6 shall not be combined or merged with programs offered to students in any of grades 7-12. (Education Code 48916.1)

Readmission After Expulsion

Prior to the date set by the Board for the student's readmission:

1. The Superintendent or designee shall hold a conference with the parent/guardian and the student. At the conference, the student's rehabilitation plan shall be reviewed and the Superintendent or designee shall verify that the provisions of this plan have been met.

School regulations shall be reviewed and the student and parent/guardian shall be asked to indicate in writing their willingness to comply with these regulations.

2. The Superintendent or designee shall transmit to the Board a recommendation regarding readmission. The Board shall consider this recommendation in closed session. If a written request for open session is received from the parent/guardian or adult student, it shall be honored to the extent that privacy rights of other students are not violated.
3. If the readmission is granted, the Superintendent or designee shall notify the student and parent/guardian, by registered mail, of the Board's decision regarding readmission.
4. The Board may deny readmission only if it finds that the student has not satisfied the conditions of the rehabilitation plan or that the student continues to pose a danger to campus safety or to other district students or employees. (Education Code 48916)
5. If the Board denies the readmission of a student, the Board shall determine either to continue the student's placement in the alternative educational program initially selected or to place the student in another program that serves expelled students, including placement in a county community school.

6. The Board shall provide written notice to the expelled student and parent/guardian describing the reasons for denying readmittance into the regular program. This notice shall indicate the Board's determination of the educational program which the Board has chosen. The student shall enroll in that program unless the parent/guardian chooses to enroll the student in another school district. (Education Code 48916)

No student shall be denied readmission into the district based solely on the student's arrest, adjudication by a juvenile court, formal or informal supervision by a probation officer, detention in a juvenile facility, enrollment in a juvenile court school, or other such contact with the juvenile justice system. (Education Code 48645.5)

Maintenance of Records

The district shall maintain a record of each suspension and expulsion, including its specific cause(s). (Education Code 48900.8)

Expulsion records of any student shall be maintained in the student's mandatory interim record and sent to any school in which the student subsequently enrolls upon written request by that school. (Education Code 48918(k))

The Superintendent or designee shall, within five working days, honor any other district's request for information about an expulsion from this district. (Education Code 48915.1)

5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and prompt action shall be taken to stop any harassment, prevent recurrence, and address any continuing effect on students

6. Information about the district's procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made

Dress And Grooming

BP 5132

Students

The Governing Board believes that appropriate dress and grooming contribute to a productive learning environment. The Board expects students to wear clothing that is suitable for the school activities in which they participate. Students shall not wear clothing that presents a health or safety hazard or is likely to cause a substantial disruption to the educational program.

(cf. 4119.22/4219.22/4319.22 - Dress and Grooming)

District and school rules pertaining to student attire shall be included in student handbooks, may be posted in school offices and classrooms, and may be periodically reviewed with all students as necessary.

Students shall not be prohibited from dressing in a manner consistent with their gender identity or gender expression or with their religious or cultural observance.

(cf. 5145.3 - Nondiscrimination/Harassment) (cf. 5145.7 - Sexual Harassment)

The principal or designee is authorized to enforce this policy and shall inform any student who does not reasonably conform to the dress code. The dress code shall not be enforced in a manner that discriminates against a particular viewpoint or results in a disproportionate application of the dress code based on students' gender, sexual orientation, race, ethnicity, household income, or body type or size.

(cf. 0410 - Nondiscrimination in District Programs and Activities) (cf. 0415 - Equity)

(cf. 5145.2 - Freedom of Speech/Expression)

School administrators, teachers, and other staff shall be notified of appropriate and equitable enforcement of the dress code.

(cf. 4131 - Staff Development) (cf. 4231 - Staff Development) (cf. 4331 - Staff Development)

When practical, students shall not be directed to correct a dress code violation during instructional time or in front of other students.

Repeated violations or refusal to comply with the district's dress code may result in disciplinary action. (cf. 5144 - Discipline)

Gang-Related Apparel

The principal, staff, and parents/guardians at a school may establish a reasonable dress code that prohibits students from wearing gang-related apparel when there is evidence of a gang presence that disrupts or threatens to disrupt the school's activities. Such a proposed dress code shall be presented to the Board, which shall approve the plan upon determining that it is necessary to protect the health and safety of the school environment. The dress code policy may be included in the school's comprehensive safety plan.

(Education Code 35183)

(cf. 0450 - Comprehensive Safety Plan) (cf. 5136 - Gangs)

When determining specific items of clothing that may be defined as gang apparel, the school shall ensure that the determination is free from bias based on race, ethnicity, national origin, immigration status, or other protected characteristics.

Uniforms

The Board may approve a school-initiated dress code requiring students at the school to wear a school uniform whenever the Board determines that such a dress code will promote student achievement, a positive school climate, and/or student safety.

The Superintendent or designee shall establish procedures whereby parents/guardians may choose to have their children exempted from the school uniform policy. Students shall not be penalized academically, otherwise discriminated against, or denied attendance to school if their parents/guardians so decide. (Education Code 35183)

The Superintendent or designee shall ensure that resources are identified to assist economically disadvantaged students in obtaining uniforms. (Education Code 35183)

Students

Examples of Prohibited Conduct

Bullying is an aggressive behavior that involves a real or perceived imbalance of power between individuals with the intent to cause emotional or physical harm. Bullying can be physical, verbal, or social/relational and may involve a single severe act or repetition or potential repetition of a deliberate act. Bullying includes, but is not limited to, any act described in Education Code 48900(r).

Cyberbullying includes the electronic creation or transmission of harassing communications, direct threats, or other harmful texts, sounds, or images. Cyberbullying also includes breaking into another person's electronic account or assuming that person's online identity in order to damage that person's reputation.

(cf. 5145.2 - Freedom of Speech/Expression) (cf. 6163.4 - Student Use of Technology)

Examples of the types of conduct that may constitute bullying and are prohibited by the district include, but are not limited to:

1. Physical bullying: An act that inflicts harm upon a person's body or possessions, such as hitting, kicking, pinching, spitting, tripping, pushing, taking or breaking someone's possessions, or making cruel or rude hand gestures
2. Verbal bullying: An act that includes saying or writing hurtful things, such as teasing, name-calling, inappropriate sexual comments, taunting, or threats to cause harm
3. Social/relational bullying: An act that harms a person's reputation or relationships, such as leaving a person out of an activity on purpose, influencing others not to be friends with someone, spreading rumors, or embarrassing someone in public
4. Cyberbullying: An act such as sending demeaning or hateful text messages or emails, spreading rumors by email or by posting on social networking sites, or posting or sharing embarrassing photos, videos, web site, or fake profiles

Measures to Prevent Bullying

The Superintendent or designee shall implement measures to prevent bullying in district schools, including, but not limited to, the following:

1. Ensuring that each school establishes clear rules for student conduct and implements strategies to promote a positive, collaborative school climate

(cf. 5131 - Conduct)

(cf. 5137 - Positive School Climate)

2. Providing information to students, through student handbooks, district and school web sites and social media, and other age-appropriate means, about district and school rules related to bullying, mechanisms available for reporting incidents or threats, and the consequences for engaging in bullying

3. Encouraging students to notify school staff when they are being bullied or when they suspect that another student is being bullied, and providing means by which students may report threats or incidents confidentially and anonymously
4. Conducting an assessment of bullying incidents at each school and, if necessary, increasing supervision and security in areas where bullying most often occurs, such as playgrounds, hallways, restrooms, and cafeterias
5. Annually notifying district employees that, pursuant to Education Code 234.1, any school staff who witnesses an act of bullying against a student has a responsibility to immediately intervene to stop the incident when it is safe to do so

Staff Development

The Superintendent or designee shall annually make available to all certificated staff and to other employees who have regular interaction with students the California Department of Education (CDE) online training module on the dynamics of bullying and cyberbullying, including the identification of bullying and cyberbullying and the implementation of strategies to address bullying. (Education Code 32283.5)

(cf. 4131 - Staff Development) (cf. 4231 - Staff Development) (cf. 4331 - Staff Development)

The Superintendent or designee shall provide training to teachers and other school staff to raise their awareness about the legal obligation of the district and its employees to prevent discrimination, harassment, intimidation, and bullying of district students. Such training shall be designed to provide staff with the skills to:

1. Discuss the diversity of the student body and school community, including their varying immigration experiences
2. Discuss bullying prevention strategies with students, and teach students to recognize the behavior and characteristics of bullying perpetrators and victims
3. Identify the signs of bullying or harassing behavior
4. Take immediate corrective action when bullying is observed
5. Report incidents to the appropriate authorities, including law enforcement in instances of criminal behavior

Information and Resources

The Superintendent or designee shall post on the district's web site, in a prominent location and in a manner that is easily accessible to students and parents/guardians, information on bullying and harassment prevention which includes the following: (Education Code 234.6)

(cf. 1113 - District and School Web Sites) Student Instruction
- As appropriate, the district shall provide students with instruction, in the classroom or other educational settings, that promotes social-emotional learning, effective communication and conflict resolution skills, character development, respect for cultural and individual differences, self-esteem development, assertiveness skills, and appropriate online behavior.
(cf. 6142.8 - Comprehensive Health Education) (cf. 6142.94 - History-Social Science Instruction)

The district shall also educate students about the negative impact of bullying, discrimination, intimidation, and harassment based on actual or perceived immigration status, religious beliefs and customs, or any other individual bias or prejudice.

Students should be taught the difference between appropriate and inappropriate behaviors, how to advocate for themselves, how to help another student who is being bullied, and when to seek assistance from a trusted adult. As role models for students, staff shall be expected to demonstrate effective problem-solving and anger management skills.

To discourage cyberbullying, teachers may advise students to be cautious about sharing passwords, personal data, or private photos online and to consider the consequences of making negative comments about others online.

Reporting and Filing of Complaints

Any student, parent/guardian, or other individual who believes that a student has been subjected to bullying or who has witnessed bullying may report the incident to a teacher, the principal, a compliance officer, or any other available school employee.

Nondiscrimination - Rights and Responsibilities

Nondiscrimination/Harassment

BP 5145.3

Students

This policy shall apply to all acts constituting unlawful discrimination or harassment related to school activity or to school attendance occurring within a district school, and to acts which occur off campus or outside of school-related or school-sponsored activities but which may have an impact or create a hostile environment at school.

The Governing Board desires to provide a safe school environment that allows all students equal access to and opportunities in the district's academic, extracurricular, and other educational support programs, services, and activities. The Board prohibits, at any district school or school activity, unlawful discrimination, including discriminatory harassment, intimidation, and bullying, targeted at any student by anyone, based on the student's actual or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, medical condition, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or association with a person or group with one or more of these actual or perceived characteristics.

(cf. 0410 - Nondiscrimination in District Programs and Activities) (cf. 5131 - Conduct)

(cf. 5131.2 - Bullying)

(cf. 5145.9 - Hate-Motivated Behavior)

(cf. 5146 - Married/Pregnant/Parenting Students)

(cf. 6164.6 - Identification and Education Under Section 504)

Unlawful discrimination, including discriminatory harassment, intimidation, or bullying, may result from physical, verbal, nonverbal, or written conduct based on any of the categories listed above. Unlawful discrimination also occurs when prohibited conduct is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

Unlawful discrimination also includes disparate treatment of students based on one of the categories above with respect to the provision of opportunities to participate in school programs or activities or the provision or receipt of educational benefits or services.

The Board also prohibits any form of retaliation against any individual who reports or participates in the reporting of unlawful discrimination, files or participates in the filing of a complaint, or investigates or participates in the investigation of a complaint or report alleging unlawful discrimination. Retaliation complaints shall be investigated and resolved in the same manner as a discrimination complaint.

The Superintendent or designee shall facilitate students' access to the educational program by publicizing the district's nondiscrimination policy and related complaint procedures to students, parents/guardians, and employees. In addition, the Superintendent or designee shall post the district's policies prohibiting discrimination, harassment, intimidation, and bullying and other required information on the district's web site in a manner that is easily accessible to parents/guardians and students, in accordance with law and the accompanying administrative regulation.

The Superintendent or designee shall provide training and/or information on the scope and use of the policy and complaint procedures and take other measures designed to increase the school community's understanding of the requirements of law related to discrimination. The Superintendent or designee shall regularly review the implementation of the district's nondiscrimination policies and practices and, as necessary, shall take action to remove any identified barrier to student access to or participation in the district's educational program. The Superintendent or designee shall report the findings and recommendations to the Board after each review.

The Governing Board believes that appropriate dress and grooming contribute to a productive learning environment. The Board expects students to wear clothing that is suitable for the school activities in which they participate. Students shall not wear clothing that presents a health or safety hazard or is likely to cause a substantial disruption to the educational program.

(cf. 5144 - Discipline)

The principal, staff, and parents/guardians at a school may establish a reasonable dress code that prohibits students from wearing gang-related apparel when there is evidence of a gang presence that disrupts or threatens to disrupt the school's activities. Such a proposed dress code shall be presented to the Board, which shall approve the plan upon determining that it is necessary to protect the health and safety of the school environment. The dress code policy may be included in the school's comprehensive safety plan. (Education Code 35183)

School District

Hate Crimes

General Statement on Hate Crimes

The policy of the School District is to ensure that the rights to equality, justice, and freedom guaranteed by State laws and the United States Constitution are protected for all students and staff, regardless of their race, class, age, ethnicity, religion, ancestry, national origin, disability, gender, or sexual orientation. When those rights are infringed upon by violence, threats, or other forms of harassment, the School District will use every necessary resource to prevent such crimes, and to rapidly and decisively cooperate with law enforcement personnel to identify and prosecute the perpetrators.

Confidentiality

According to Art. 1 Sec. 1 of the Constitution of the State of California, it shall be the policy of the School District to protect the identity and nature of victimization of the victim of a hate crime. In some cases the purpose of a hate crime is to expose the victim to potential ridicule and embarrassment.

Education

The School District will promote campus harmony, appreciation for the value of human diversity, and respect for individual rights and dignity. The District places a high priority upon the prevention and eradication of crimes involving hate, bigotry, and prejudice.

Cooperation with Law Enforcement

The victimization of individuals or groups because of their status is not only an affront to those victimized, it is also a violation of State and Federal Laws. The policy of the School District will be to immediately or as soon as is practical report all incidents of hate crimes to the appropriate local law enforcement agency. In addition to penalties assessed by criminal courts, it shall be the policy of the School District to hold those perpetrators responsible, with appropriate sanctions, including possible termination and/or expulsion.

SCHOOL DISTRICT PROCEDURE TO NOTIFY TEACHERS OF DANGEROUS PUPILS
